Personal profile

I am a technology oriented, motivated, multilingual Camera Trainee with a full UK driving licence, and various camera operating, video editing and transcoding skills, which I gained and improved through my freelance works, production of short films, working in broadcast crews of student operated television studios and also during internships at the BBC and the Channel 4.

Technical Skills

- Knowledge on how to use various camcorders, DSLRs and some cine and broadcast cameras (**Canon HV20 / 60D / C300, Sony A7II / PMW-320K / PMW-EX3 / DSR-370 and DSR-390**)
- Experience in all aspects of video editing with **Adobe Premiere Pro**
- Experience in other NLE tools including **AVID Media Composer** and **Final Cut Pro**
- Some experience in other tools, like **FFmpeg** and **Canon XF Utility**
- Full UK driving licence, Category B

Language Skills

- English, German, Hungarian, Swedish
